

STILLINGFLEET PARISH COUNCIL:
.....

INVITATION TO TENDER FOR HAYMAKING ON STILLINGFLEET VILLAGE GREEN.

You are invited to tender for the following three operations:

1. Mowing all four sectors of the green totalling 7.03 ha.
2. Turning and baling all four sectors.
3. Removal of the resulting bales within one month of baling.

One figure will be accepted from contractors who will be expected to carry out all three operations at their own risk.

The successful contractor must confirm that he will do a risk assessment before commencing the work and that he carries appropriate public liability insurance cover.

The site is the subject of a Natural England Higher Level Stewardship Scheme which does not allow haymaking operations to begin before the 15th July (although a derogation has been requested to allow mowing to begin at any time after 1st July).

The successful contractor will be expected to complete the work during July or early August 2023 (subject to weather conditions)

Known hazards (such as manholes) on the green will be pointed out to the successful applicant but the contractor will be responsible for making his own investigation to discover any possible hazards.

Your tender should be submitted in writing by post or email by **15 May 2023** to:

Ruth Swales (Clerk, Stillingfleet Parish Council)
Brookfield, The Green,
Stillingfleet,
York YO19 6SG

E-mail:
clerk@stillingfleetparishcouncil.org

Signed:

Ruth Swales of behalf of Stillingfleet Parish Council.
