Trees	Tree fallen across the public footpath and the beck in the ByeLaw Charity Field	Drainage Board have removed

PERMANENT STRUCTURES

	Problem (if any)	Recommended Action
Street lights	None	
Bus shelters	None	
Benches (inc Jubilee bench)	None	
Waste bins	None	
Footbridges	Footbridge along beckside too narrow	Replaced with new bridge
Pavements	None	
Telephone kiosk	Broken glass in a small pain	Protect with tape

	<p>The telephone kiosk on York Road Stillingfleet is in a dilapidated state consistent with its age of some 85 or 90 years.</p> <p>The door and its hinges seem sound.</p> <p>On the right hand side (from the road) there are two small broken panes measuring 6"x2 1/2 "</p> <p>On the left hand side there is one broken pane 6" x 2 1/2".</p> <p>At the front there is one missing pane 6" x 12". The remaining panes are all plastic except for the top pane.</p> <p>The kiosk has been leaning slightly to the left for at least 40 years without any sign of progressive movement. It is believed to be approximately 2" to 3" out of vertical and quite stable.</p>	<p>Long term either full restoration (dependent upon raising funds) or disposal</p>
